

## *REMARKS*

Applicant thanks the Examiner for the very thorough consideration given the present application.

Claims 1-25 are now present in this application. Amendments have been made to the Title and Abstract of the Disclosure. Reconsideration of this application, as amended, is respectfully requested.

### *I. Priority Under 35 U.S.C. § 119*

Applicant thanks the Examiner for acknowledging Applicants' claim for foreign priority under 35 U.S.C. § 119, and receipt of the certified priority document.

### *II. Drawings*

Applicant acknowledges receipt of the Office Action Summary PTOL-326 indicating that the formal drawings have been accepted by the Examiner.

### *III. Objection to the Title of the Invention*

The Examiner has objected to the Title of the Invention for not being descriptive.

In order to overcome this objection, Applicant has amended the Title of the Invention as the Examiner has suggested, in order to better reflect the subject matter claimed. Accordingly, reconsideration and withdrawal of this objection are respectfully requested.

#### *IV. Objection to the Abstract of the Disclosure*

The Examiner has objected to the Abstract of the Disclosure because of the length being more than 150 words.

In order to overcome this objection, Applicant has amended the Abstract of the Disclosure to be 136 words, and therefore within the 150 word recommendation. Accordingly, reconsideration and withdrawal of this objection are respectfully requested.

#### *V. Allowed Subject Matter*

The Examiner states that claims 1-25 are allowed. Applicant thanks the Examiner for the early indication of allowed claims in this application. Since the Examiner's objections have been overcome, as discussed above, the present application is in condition for allowance.

## *VI. Cited References*

Since the references cited by the Examiner have not been utilized to reject the claims, but have merely been cited to show the state of the art, no comment need be made with respect thereto.

## *VII. Conclusion*

All of the stated grounds of objection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests that the Examiner reconsider all presently outstanding objections and that they be withdrawn. It is believed that a full and complete response has been made to the outstanding Office Action, and as such, the present application is in condition for allowance.
